NOTES

The site view provides a description of the site and a listing of images available for the site.

1. Site name

2. Brief site description

3. "More" toggle to reveal extended site description

4. Site thumbnail image (sourced from Funkhouser collection)

5. Thumbnail image (linked to photo view)

6. Image decade title

7. Image description

ISSUES

1. Site names may be too long for the title bar.
